Angelia Rowe Garner (ARG) Ministries Launches New Platform

New tools now available to help support needs of adolescent girls and adult women

Washington, D.C. (OCTOBER, 2014) – Reverend Angelia Rowe Garner, Esq. launched a new ministry platform to provide outreach focused on the spiritual, mental, legal, and emotional needs of adult women. Though this program, Rev. Garner will help connect women to the tools and resources needed to empower their lives and build health families and communities.

Reverend Garner, popularly known as “Reverend Esquire,” uniquely carries the mantle of both preacher and attorney. A native of Washington, D.C., Reverend Garner is a graduate of Howard University and the Georgetown University Law Center. Believing that God requires excellence in “kingdom builders,” she also earned her Master’s Degree from Bethel Seminary in 2014. Reverend Garner was recently quoted as saying “The Ministry transcends social, economic, ethnic, and generational lines. Our sole mission is to Engage, Enlighten, Encourage, and Empower women to unite and reach their full potential”

ARG Ministries will offer several programs under this platform:

- Sister to Sister Outreach - Monthly empowerment workshops and life skills training is provided to displaced women and their children seeking transitional or permanent housing. Through this program the ministry provides essential supplies, resources and financial support to women in need.
- Reverend Esquires in Training (R.E.I.T.s) – Designed to develop and impact the next generation of women preachers and lawyers, this Mentoring Program/Camp is specially designed for pre-teens and adolescent girls between the ages of 10-17.
- Girlfriends Forever (GFF) Network – a national movement of women united in sisterhood and empowered to change the lives, families and communities of women across the world. Participants are engaged through multiple mediums such as, but not limited to, periodic newsletters, social media, inspirational conferences, webinars, and publications.
